

Buoy of Buoy - We all want to know about the Weather - Collage template

The **IRISH WEATHER BUOY NETWORK** is used by lots of people around Ireland.

Create a collage using pictures or drawings representing the people that you think might want to use the data collected by the weather buoy network. This might include:

- Meteorologists
- Weather forecasters
- Fishermen
- Emergency services - Search and Rescue
- Navy
- Marine scientists
- Recreational users such as sailors, divers and surfers
- Aquaculture farmers
- Coastal communities and many others.

We've included a picture of a weather buoy to get you started.
